

The Laika Club of Gt. Britain was founded in 1989 when the first Laika vehicles were officially imported into the U.K. It continued in existence, due to the enthusiasm of the early members, through the period in the mid 1990's when there was no distributor in this country. Since the late 1990's, when official imports started once again, the club has gone from strength to strength and membership now stands at about 130 units.

It is the aim of the club to offer a forum where owners of Laika motorhomes can meet, exchange views & information & engage in social activities. To these ends we publish a newsletter (3 or 4 times a year) & organise rallies (about 10 a year) both in the U.K. & abroad. Overseas rallies in recent years have been mainly to various parts of France but Italy & Ireland have been included.

The club is independent of the manufacturers & any distributor although we try to maintain contacts & good relations with these companies. As a result of this independence the Club's constitution is a matter entirely of our own concern & one of its features is, that although it is necessary to own a Laika in order to become a member, it is not necessary to leave if the vehicle is changed. It is felt that friendships established should be encouraged & not put in jeopardy by forced resignations.

If you would like to join us please complete the form below & send it, together with a cheque for £15 (£5 initial joining fee + £10 annual subscription) to the address at the foot of the form. Subscriptions run from January to December. Please make cheques payable to:- "The Laika Club of Gt. Britain".
